HOW TO LIGHT SHABBOS CANDLES

We are entering a new year in a way like we never have before. There is so much confusion and uncertainty about what the future holds. Fear, pain and dread seem to be hovering over us like a dark cloud. As Jews we know that each mitzvah that we do brings added light to a gloomy world but seldom do we recognize the glow. Lighting shabbat and holiday candles illuminates our homes and our environment not just spiritually but physically as well. Kindling these holy flames ignites a fire in our homes but also in our souls.

In uncertain times like these, what better way to beat the shade than with a tiny flame.

It starts with one light. You can add a candle for your soul mate, and if you are a mother, one for each child. A girl over the age of three may (with some help from Mom) light a candle of her own.

To honor the divine spiritual connection of lighting Shabbat candles, we recite a blessing just after kindling our candles, which are lit 18 minutes before sundown.

Once the candle(s) are lit, close your eyes, and with your hands gently moving above the flames, motion the warmth towards your eyes three times. Then softly placing your hands over your eyes, pronounce the words that women across the globe have spoken aloud for thousands of years.

Uncover your eyes and feel the glow seep through every cell of your being, ushering in a moment of inner peace.

THE LUBAVITCHER REBBE
RABBI MENACHEM M. SCHNEERSOHN OF BLESSED MEMORY**

Mission Statement:

Motivated by a profound love for every Jew and spurred by a boundless optimism, Chabad of Palm Beach Gardens sets into motion a dazzling array of programs and services to educate, inspire, and uplift Jews from all walks of life with unconditional love and acceptance.

Dear Friends,

Who could have ever believed how quickly everything could change? In the blink of an eye, life as we knew it was turned on its head, and we now find ourselves in brand new territory. This only means that we must be more creative and innovative than we ever have before in our effort to bring Judaism alive to Jews of Palm Beach Gardens.

It is also an incredible opportunity. For the first time ever, if you want to feel Jewish it is incumbent upon you to make the effort to bring it into your own Home.

We are proud to present to you this year's calendar of events where we have incorporated all of the exciting programs you have come to know and love at Chabad of Palm Beach Gardens, simply reinvented.

We take safety and social distancing protocols very seriously. We have a medical advisory team of prominent local doctors that advise on safe programming, services and events.

We have modified our programming so that everyone could feel comfortable, including those who prefer to show up in person and those who wish to remain at home. We are installing a giant screen in the Sanctuary so that those who partake physically can be socially distant, yet those at home can still be involved by watching on the screen. Most of our events will be streamed online to maximize participation, while we may be physically apart we are eternally connected. Indeed, the theme of this year's calendar is Always Together, Never Alone!

While preparing this Jewish Community Calendar & Program Guide we decided to "brace for the worst and hope for the best." G-d willing, as conditions improve and the pandemic is brought under control, we will be flexible with our programming to adjust accordingly. But for the meantime, we are making lemonade out of the lemons we have been handed by Hashem!

It is our fervent prayer that no Jew be left behind and that every single Jew in our community feel connected and cared for. No matter your prior knowledge, level of observance or previous affiliations, know that at Chabad of Palm Beach Gardens we have a place for you.

Welcome home!

JOURNEY OF THE SOUL

Six Thursdays starting February 4 @ 7:30pm

A fresh look at life, death and beyond

Who hasn't wondered what happens when we die? We know what happens to the body. But what happens to the soul at birth and again at death?

- Is there really a "better" place after this one?
- Do our loved ones continue to connect with us?
- Can I relate to an afterlife if I'm not spiritual?

At once practical and powerful, reflective and relatable, Journey of the Soul teaches a Jewish perspective on life that begins before birth and lasts well after a person's passing.

It's a journey we all take, and it's yours to explore this winter.

THE BALLERINA OF AUSCHWITZ WINDOWS TO THE WORLD

Wednesday, February 17 @ 7pm

Dr. Eger chose to transform a painful past into a powerful gift used to help others heal.

Dr. Edith Eger, one of the few living Holocaust survivors, was sent to Auschwitz in 1944 at 16 years old, where she endured unimaginable experiences, including being ordered to dance for the infamous Dr. Josef Mengele.

Her story is an inspiration for everyone. Dr. Eger is an inspiring speaker, human dignity advocate & award-winning author of "The Choice: Embrace the Possible;" a powerful, moving memoir, and a practical guide to healing which uses her past as a powerful analogy to inspire people to reach their potential and shape their destinies.

PURIM DINNER & DANCE PARTY

Thursday, February 25 @ 6:45pm

Annual Megillah Reading and Purim Party

Get to know your friends on a whole new level on Purim at Chabad of Palm Beach Gardens, as we celebrate Purim with a masquerade party and festive dinner you're sure to remember!

Dress the part if you dare and indulge in the spirit of one of the happiest days of the year!

GIVE THE GIFT OF SHALACH MANOS

Fostering friendship in our community

We make it easy for you to fulfill the mitzvah of Purim! Give beautiful Shalach Manos, creative gift baskets to your friends and family through the shul's Shalach Manos project.

Please send in your contribution by February 18, so that your name will be included in the holiday gift packages prepared by the Shul to be distributed to our local members on Purim day.

We need volunteers to deliver Purim Baskets to our local members. Please let us know if you can help with this great Mitzvah.

THE JOY OF SHABBOS WINDOWS TO THE WORLD

Wednesday, February 3, @ 7:30pm

With Grammy & Emmy Award Nominee Peter Himmelman, son-in-law of Bob Marley

LAG BA'OMER KUMZITS

Thursday, April 29 @ 6pm

Songs, S'mores & More

The Jewish holiday of Lag B'omer celebrates the yahrtzeit of Rabbi Shimon bar Yochai, the second century sage who transcribed the book of the Zohar, the founding text of the Kabbalah. His work infused new life and passion into Jewish life as the deep mystical truths of Torah and the universe came to light. His monumental contribution to Judaism is celebrated through lighting bonfires as fire represents the mystical aspect of Torah.

Pull up a chair around the fire and enjoy the live music, barbecue and L'chaims that are always a part of this magical holiday.

JOURNEY TO JUDAISM WINDOWS TO THE WORLD

Wednesday, June 16 @ 7pm

A Dream Comes True for a Chinese girl & an Italian boy

An interview with Elisheva and Dovid Martinetti. Elisheva was born in North East China; and Dovid in Italy. In their youth, both were inspired to convert to Judaism in London, where they currently live. Hear the remarkable story of their journeys, and their dreams and aspirations in building their own family.

WOMEN'S TEHILLIM GROUP

Last Shabbos of the Jewish Month after the Kiddush

The Power of Prayer

Since time immemorial, whenever Jews have been in crisis, they have always turned to the Psalms- Tehillim- of King David for salvation.

"If you only knew - The Tzemach Tzedek said - the power of verses of Tehillim and their effect in the highest Heavens, you would always recite them. Know that the chapters of Tehillim smash all barriers, they rise higher and still higher with nothing stopping them all the way up to Hashem; they bow themselves in Davening before Hashem, and they effect and accomplish with kindness and compassion."

Chabad custom is to recite the entire book of Tehillim on the last Shabbos of each month. This practice guarantees both spiritual and material blessings to you, your children and your grandchildren. Join the ladies of Chabad as they divide the entire Tehillim each month, to ensure that they complete it collectively, sharing the merits amongst the group and praying for all those in need.

CREATE A LEGACY

Be a part of history in Palm Beach Gardens

Dedicate a plaque in our magnificent Shul lobby. Whether you choose the striking Tree of Life designed according to the months of the Jewish Calendar or the impressive "Jerusalem of Gold" Founders' Wall, you or your loved ones will be remembered as having made a real difference to the future of Yiddishkeit in our community. There are also a few remaining windows available for dedication as part of our beautiful glass art windows, each window representing a different letter of the Aleph-Bet.

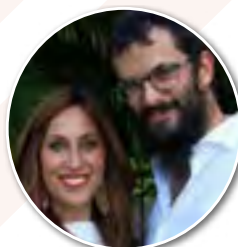

ONE ON ONE WITH THE RABBI OR REBBETZIN

You're not alone.

We're here for you.

Is there a subject you'd really like to master? Something you've been wondering about and would like to study? Reach out to the office and set up a meeting with the Rabbi or the Rebbetzin. Facetime and zoom available as well.

Know, you are never alone. We are always just a phone call away and would love to hear from you.

CHABAD CEMETERY

From cradle to grave, we've got you covered!

Did you know that according to Jewish tradition, purchasing a cemetery plot is a good omen for long life? Spare your family the anguish of having to make your end of life decisions by choosing to do it exactly how you want it.

It is a tremendous mitzvah to be buried in full Jewish tradition.

There are still spots available at the Chabad of PBG community cemetery.

To learn more, please contact Memorial Committee Chair **Jay Marmer** at **561-352-8840** or **jay131@gmail.com**

He will be happy to guide you through this very personal and important decision.
