B"H

Dear Friends,

The Talmud relates the story of Choni. One day, Choni was walking on the road and saw a man planting a carob tree. Choni asked the man, "How long will it take for this tree to bear fruit?" The man replied, "Seventy years." Choni then asked the man, "And do you think you will live another seventy years and eat the fruit of this tree?" The man answered, "Perhaps not. However, when I was born into this world, I found many carob trees planted by my father and grandfather. Just as they planted trees for me, I am planting trees for my children and grandchildren so they will be able to eat the fruit of these trees."

Ethics of the Fathers Teaches; Who is wise? He who looks to the future.

We have been put on this earth not just for us and for our generation, rather for our children and all future generations to come. To teach them and to inspire them. To leave a legacy that carries them through their journey of life.

This year marks fifty years since that Yom Kippur Sandy Koufax refused to pitch for Game 1 in the World Series. Incredibly, most of us don't recall who played those many years ago, but we all strive to emulate the one who didn't play.

While Sandy may not have played baseball that day, he was certainly in the game. Perhaps a different kind of game. And by not playing ball that Yom Kippur he not only left an imprint on the many hearts and minds of his generation, but has left a legacy for those who have yet to come.

Our first year in the new shul was surreal. Membership has grown beyond all of our expectations and our classes, programs, lectures and services have all seen remarkable growth and attendance. We are so excited to present you with our **tenth annual** Jewish Art Calendar of events for this upcoming season. It is bigger and better than ever and is bound to have something for everyone to connect to.

Hillel would say: If I am not for myself, who is for me? And if I am only for myself, what am I? And if not now, when? There has never been a better time to reignite your Jewishness than now. Leave something for your children and grandchildren that will change their lives forever. This is the year, today is the day and now is the time.

About the Artwork in this year's Calendar: **Living Tree by Michoel Muchnik**

The original artwork in this Jewish Art Calendar was commissioned and installed at the exquisite lobby of the Chabad of Palm Beach Gardens by artist Michoel Muchnik.

This tree of life depicts the journey of a Jewish person through the twelve months of the year. Each Month has a unique spiritual energy reflected in its special customs, festivals and traditions as depicted in the artwork of each month.

HOW TO LIGHT SHABBOS CANDLES

It starts with one light. You can add a candle for your soul mate, and if you are a mother, one for each child. A girl over the age of three may (with some help from Mom) light a candle of her own.

To honor the divine spiritual connection of lighting Shabbat candle, we recite a blessing just after kindling your candles, which are lit 18 minutes before sundown.

Once the candle(s) are lit, close your eyes, and with your hands gently moving above the flames, motion the warmth towards your eyes three times. Then softly placing your hands over your eyes, pronounce the words that women across the globe have spoken aloud for thousands of years.

Uncover your eye and feel the glow seep through every cell of your being, ushering in a moment of inner peace.

Picture a million women like you lighting FridayLight candles all at the same time. Picture the peace of Shabbat radiating across the globe.

SEPTEMBER 2015 ELUL 5775-TISHREI 5776

Elul (usually September) As we prepare for the High Holiday season in this last month of the year, the “thirteen attributes of mercy” are more prevalent than ever. It is as if G-d is like a king (depicted by the crown) in the field (depicted by the wheat). Much like a candidate on the campaign trail, G-d is readily accessible for us to reach out to him and strengthen our relationship with Him during Elul.

OCTOBER 2015 ELUL 5775-TISHREI 5776

Tishrei (usually September/ October) is the month of the High Holidays when we are judged (scales) but our good deeds (in the scales) ensure that we emerge victorious. We then celebrate on Sukkos with the four species held high and thanking Hashem with the Hallel and gratitude.

DECEMBER 2015

KISLEV-TEVET 5776

Kislev (usually December) is the month of Chanukah when we celebrate the victory of the Jewish people over the ancient Greeks; when the few won over the many and the weak were victorious over the mighty. Upon regaining control over the temple the Jewish people found a single jug of oil that was pure and not defiled that was used to kindle the Temple Menorah. It miraculously lasted not the regular one day rather eight days and to commemorate that, we kindle a menorah and proudly display it for all to see. We play draydel (a game of tops) and have joyous gatherings of celebration.

MARCH 2016

ADAR I - ADAR II 5776

Adar (usually March) is the most joyous month of the year as it commemorates our salvation from the most Antisemitic decree we have ever faced. King Achashveirosh of ancient Persia ordered the annihilation of all Jews. Esther the queen was a Jewess and a heroine that put the needs of her nation above her own risks. Fish is the Zodiac sign for this month because like fish have no eyelids, so too G-d never shuts his eyes from the Jewish People.

ADAR II - NISSAN 5776

Nissan (usually April) is the month we celebrate Passover. We drink four cups of wine and eat three Shmura Matzos. We have a Seder plate and recount the story from a Haggadah book reminding us that miracles happen even in the most hopeless of circumstances.

MAY 2016

NISSAN - IYAR 5776

Iyar (usually May) is the month when we celebrate Lag Ba'Omer, the Yahrtzeit of the saintly Rabbi Shimon Bar Yochai two thousand years ago, author of the Kaballah book- Zohar. The bonfire represents the intense fire and light that surrounded him as he shared the most mystical and Kabbalistic parts of Torah. Similarly on his Yahrtzeit many light bonfires in his memory.

IYAR - SIVAN 5776

SEPTEMBER 2016
AV- ELUL 5776

Elul (usually September) As we prepare for the High Holiday season in this last month of the year, the "thirteen attributes of mercy" are more prevalent than ever. It is as if G-d is like a king (depicted by the crown) in the field (depicted by the wheat). Much like a candidate on the campaign trail, G-d is readily accessible for us to reach out to him and strengthen our relationship with Him during Elul.

EVERY LIFE IS UNIQUE and deserves to be remembered in a special way. As members of the Dignity Memorial® Network we are dedicated to helping you and your loved ones create a meaningful memorial that truly celebrates the life it represents. You can even tell your own unique story by making your final plans now, before the time of need.
